### Anatomy of a Ceiling Fan

#### Important Information

Drop rods are to drop the fan from the ceiling and can be fitted to any fan. A conversion kit may be required to drop a flush mounted fan.

Light Kit = Fitter and Shades

A remote control system will fit most fans

Blade Changes are available on most fans

For standard installations, 2 core and earth wiring is required.

To fit a double wall control with a fan and light 3 core and earth wiring is required
